Plate 1 [Violin picture]

It seems to me he doesn't have a liking for music.....now he must play, it doesn't seem that he will play. He sits and looks, is good and thinks.....The little boy is still young.....he doesn't know what to do.

Plate 2 [Family picture]

This is as man in the olden days.....The girl is on the path to school, or church. The man is busy ploughing.....the one woman stands and thinks....she is lying....resting against the tree.....that's all.

Plate 3BM [Child by couch]

This woman seems to me to be dead. She lies with her head on a sofa. Near her is a little pistol.

Plate 6BM [Son-mother picture]

The woman looks frustrated.....the boy looks a little mischievous....the woman is.....the man holds his head down and I think this is about a funeral.

Plate 7BM [Father-son picture]

It seems the old man tells the young man to do something....and he doesn't like this. That's all.

Plate 8BM [Operation]

On man is wounded....the other one tries to remove a bullet with a knife. The young boy holds a rifle tightly. The other one holds up a bright light. That's all.
